- a. Desktop Version: \$95 per year
- b. Desktop "Plus" Version: \$145 per year
- c. Enterprise Version: \$395 per year
- d. Enterprise "Plus" Version: \$445 per year

**5. System Customization:** Although the system is designed to be comprehensive and flexible as possible, we understand that each organization is different and has different business rules, processes, and policies. Contract Analyst was designed and developed in a highly modularized, object-oriented methodology. This allows for easy customization based on your specific organizational needs. We offer very reasonable customization rate:

- Customization, Data Migration, and Legacy Application Link Programming Services: \$80 per hour

**6. Special Discount:** Government agencies, educational institutions, and non-profit organizations receive a 20% discount off the purchase and upgrade price. Customization pricing is \$70 per hour. Please contact us for details.

**7. Purchase Methods:**

**a. Order On-Line:** Order on-line on our web site using a credit card, purchase card (P-Card), or electronic transfer from your checking account. Your registration code will be e-mailed to you with 72 hours (normally 24 hours).

**b. Check or Money Order:** We accept Personal or Business Checks, and Money Orders.

**c. Purchase Order:** We accept authorized and signed Purchase Orders from government agencies, non-profit organizations, and private companies with over 10 full time employees. Must not have a negative filing with credit bureaus, D&B, or the BBB.
